

Cona is a Calgary, Alberta-based Canadian crude oil production and development company focused on maximizing oil recovery from its low decline, high free cash flow oil resource base. Cona's operations, infrastructure and concentrated land position are focused in southwest Saskatchewan.

Cona is presently seeking an experienced full time **Health, Safety & Environment Coordinator** for our Lloydminster or Macklin office. Reporting to the **Manager, HS&E**, the successful candidate will work in a fast paced, detail oriented environment and be responsible for:

- Maintaining the Health, Safety & Environmental Manuals and guidelines
- Training, monitor and provide feedback for work permit and work site hazard assessments
- Supporting and evaluating the effectiveness of the vendors and suppliers safety programs and assist to improve quality of the work site activities. (ISN)
- Assisting the Manager, Operator Training and Competency Programs ("OTCP") in identifying critical procedures and that they are in place for all critical tasks in Maintenance, Production Operations and Well Services
- Identifying, evaluating and recommending Health and Safety training requirements and courses for field staff to the Manager of OTCP
- Assisting with event investigations of health/safety incidents & environmental releases including reclamation/remediation of spill sites
- Evaluating annual ground monitoring reports, and waste reporting requirements.
- Assisting with the weekly, monthly stats and department highlights
- Providing strategies to maintain regulatory compliance by keeping up to date with health, safety and environmental regulations
- Completing regulatory reporting as required by MER, ECON, Minister of Environment and OH&S provincial agencies

In addition to a minimum of 10 years' HS&E experience in a similar role, the ideal candidate will have:

- Maintain certification of all training courses (H2S Alive, First Aid & CPR, Confined Space Level 1 and 2, Fire Fighting Level 1, NORMs Awareness and the Completion of OH&S Level 1 and 2)
- RET, Canadian Registered Safety Professional preferred

Cona offers a competitive compensation package and a unique opportunity to participate in the growth of a dynamic oil and gas company.

To apply for this position, please forward your resume via e-mail to hr@conaresources.com by **June 29, 2018**. All correspondence will be held confidential. We thank all applicants for their interest in Cona. Only applicants that meet our requirements will be contacted.
